CAREER OBJECTIVE

A motivated and eager recent law graduate looking to utilise the skills and knowledge obtained from my university education to begin a full-time career within the legal profession. I have a genuine interest in the technology law practice.

QUALIFICATIONS

The University of Auckland

BCom/LLB (Completed: November 2019)

Bachelor of Commerce (Major: Economics) / Bachelor of Law conjoint.

KEY SKILLS AND COMPETENCIES

- Superb communication skills, verbal and written.
- Able to develop good working relationships with colleagues and other managers.
- Working well under pressure and to deadlines in a fast paced environment where there are numerous priorities.
- Familiar with legal databases (LexisNexis/Westlaw) and researching case law.
- Enthusiastic, ambitious, self-aware, great initiative and common sense.
- Ability to work in a team structure.
- Logical reasoning and sound judgement.

NON-LEGAL WORK EXPERIENCE

I worked full-time in between semesters during my years at university. Predominantly for a family-owned vending machine franchise, Provender, and in the summer of 2016 for Botica Timber Services:

Provender

A New Zealand refreshment vending franchise offering a selection of cold drink and snack vending machines placed in workplaces, clubs and leisure centres.

Botica Timber Services

A timber processing plant located in The Concourse West Auckland. Which specialises in custom cutting and machining of any species of timber for the wider construction and building industries.

EDUCATION

St. Peter's College, Epsom

Achieved Cambridge International Examination (CIE) Qualifications.

INTERESTS

My interests and hobbies are centred around sport; I am a fan of boxing, UFC, rugby, football, NFL, NBA.

I play indoor football and do a bit of boxing.

I am also part of a Croatian cultural dance group (as I am a New Zealand born Croatian). We perform at various concerts, have toured Croatia and performed in Australia several times.
