Dear Zoe

It is my great pleasure to inform you that you were the joint top student in both LAWS323 Immigration & Refugee Law and LAWS371 International Investment Law and Arbitration in 2018. Very well done!

This letter is to mark that wonderful achievement by formally commending you on your excellence in these subjects.

Your class placing and this letter will not appear on your student transcript. However, you are welcome to list on your CV "Dean's Commendation as first in LAWS323 Immigration & Refugee Law and LAWS371 International Investment Law and Arbitration" and to use this letter as evidence of the commendation. On behalf of all of us in the Faculty of Law, congratulations!

Warmest wishes,
