

Simmonds Stewart  
Law Graduate  
Wellington

8 December 2019

To whom it may concern,

Hello! My name is Sean Potter.

I am a law graduate from the University of Canterbury. I studied for 5 years, completing an LLB and a BSc. I moved to Wellington this year to complete the Professional Legal Studies Course and seek a legal career. I have recently returned from an overseas trip to Europe and am currently working in a temporary role with ACC as a Legal Recoveries Officer.

I am originally from Whangarei, where I grew up and attended Whangarei Boys High School. I have worked as a legal clerk for two summers with Henderson Reeves in Whangarei. I was mentored by a range of outstanding and enthusiastic lawyers, gaining experience within the commercial, property, and litigation teams. I am very grateful to have been offered a full-time graduate position. However, I decided to pursue a legal career in the Wellington region.

I am applying because I am eager to develop my knowledge and experience in a collegial environment. I am passionate about sustainable advancements in technology and would be eager to gain experience in an area of law in rapid growth. I have a diverse background across two degrees which balance excellence in writing with a range of practical skills from a geography-focused BSc.

I will perform in a professional manner and earnestly support my colleagues and clients in all aspects of work. I have learnt to effectively manage my time to work well autonomously or within a team. I look forward to getting in touch to hear more about Simmonds Stewart.

Thank you for considering my application. Contact me using the details below.

Kind regards,

Sean Potter
